

Appl. No. 10816684
Amdt. Date: 5/27/09
Reply to Office action of: 2/25/08

REMARKS/ARGUMENTS

Of the original claims 1-6 filed in this application, claims 1-5 remain, and claim 6 is hereby cancelled.

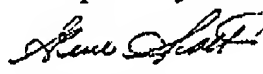

The Examiner has acknowledged that claims 1-5 are allowed.

Claim 6 is rejected under 35 USC 102(c) as being anticipated by Tucker, 2004/0135041. This rejection has been rendered moot in light of the cancelation of claim 6 in this application.

This application became abandoned on 5/25/08 because a response to an official action dated 2/25/08 was not filed with the Office. Applicant did not receive notification of official actions due to having moved with non-delivery of mail after a US Postal Office expiration period and applicant failed to notify our office of his new address/phone, but now wishes to revive the present application and enter this amendment. Therefore, Applicant now enters the attached petition to revive an application that has become unintentionally abandoned under 37 CFR 1.137(b) and includes a petition fee under 37 CFR 1.17(m).

Applicant respectfully requests that a timely Notice of Allowance be issued in this application.

Respectfully submitted,
